- Unique 3-step integrated model that incorporates pre-loss, loss reduction, and post-loss strategies
- Serves most industries, including healthcare, higher education, and public entity

## An Integrated Service Model

Our teams view each risk as unique. We continually assess our clients' loss performance, which directly impacts TCOR, to provide the highest level of analytics, service, and account management. The results:

- Reduction of frequency and improved positive claims outcomes
- Frequent and targeted engagement and communication with distribution partners and clients
- Leverage RMIS and stewardship process to keep all parties informed
